

Note from the Volunteer Engagement Committee Co-chair:

The names below represent the majority of the ministries of Pioneer Memorial Church that have their leadership chosen through the Volunteer Engagement Committee. Some ministries are not listed for a variety of reasons. The "missing" ministries are not listed because: no leadership could be found to continue them- once a leader is found, the ministry will be listed at a later date; because of the pandemic, the ministry could not continue in its traditional form and will be listed later.

You will note that some extensive volunteer name listings are not there. A decision was made for some ministries to list only the leadership. The primary reason for listing only the leadership is that the membership list of the ministry changed so rapidly that listing its composition by volunteer names would make the list obsolete almost as soon as it is listed.

At the end of the list is the composition of the Volunteer Engagement Committee itself. Please extend a warm "Thank You" to those individuals as you meet them at PMC or in your daily life. The members did an exceptional job under extraordinary circumstances and deserve a hearty "Well Done!".
